

Cuckoo Where are You?

Game

How to play:

One person stands at the front facing away from the others so he or she is unable to see who the cuckoo is. They will be the guesser.

They sing the question:

Cuckoo where are you?

The teacher selects one of the other children to be the cuckoo and to sing the reply - **here I am I see you.**

The guesser has to work out who was the

cuckoo. Song words

Guesser sings

Cuckoo where are you

Cuckoo sings

Here I am I see you.

If the guesser correctly names the child he or she remains at the front until they fail to correctly name the child acting as the cuckoo. **Once familiar with the rules the child acting as the cuckoo can disguise his/her voices to make it harder.**
